# Give Willingly to Build Yahweh's True Worship

by Elder Jacob O. Meyer

### ***Hebrews Chapter 7 Proves Tithing***

We all owe a personal obligation to Almighty Yahweh. We must pay our rent (or our tax) to the Most High for the use of what He rightfully owns—His entire creation. Let us clearly understand how the writer of Hebrews candidly explains the necessity of tithing today. Some

misguided people object to the tithing Law for this New Testament age, because they wrongly combine it with the Levitical priesthood. Let us determine if that contention can be supported from the sacred texts. Turn now to Hebrews chapter 7.

***“For this Melchizedek, king of Salem, priest of El Most High, who met Abraham re-***

***turning from the slaughter of the kings and blessed him, to whom also Abraham divided a tenth part of all (being first, by interpretation, King of righteousness, and then also King of Salem, which is, King of peace; without father, without mother, without genealogy, having neither beginning of days nor end of***

*life, but made like the Son of Yahweh), remains a priest continually.”* (Hebrews 7:1-3).

At the outset, this passage reveals that the great king to whom Abraham tithed represents Yahshua the Messiah. The term tithing is mentioned in verse 2. However, no Levitical priesthood existed when Abraham gave his tithes to Melchizedek! Consequently, the author of the book of Hebrews intends to establish that Yahweh’s commanded tithe **antedates** the Israelite polity, just as the Melchizedek priesthood antedates the Levitical.

***“Now consider how great this man was, to whom Abraham, the patriarch, gave a tenth out of the chief spoils. And they indeed of the sons of Levi that receive the priest’s office have commandment to take tithes of the people according to the law, that is, of their brethren, though these have come out of the loins of Abraham: but he whose genealogy is not counted from them has taken tithes of Abraham, and has blessed him that has the promises. But without any dispute the less is blessed of the better. And here men that die receive tithes; but there one, of whom it is witnessed that he lives. And, so to say, through Abraham EVEN LEVI, WHO RECEIVES TITHES, HAS PAID TITHES; for he was yet in the loins of his father, when Melchizedek met him.”*** (Hebrews 7:4-10).

The writer of Hebrews continues to reason that Abraham, the great patriarch, gave Melchizedek a tenth of the chief spoils of the war against the five kings (Genesis 14). He then notes that the great Melchizedek represents Yahshua the Messiah. He insists that Yahshua the Messiah is now the High Priest who sits

***Since Almighty Yahweh owns this earth and all that is on it, He has requested to receive a rental, or tax, from those who use it. He Himself has the right to designate where, when, and to whom that tax, or rental, should be paid.***

at the right hand of Almighty Yahweh (Psalm 110:4). Even Levi (although not yet born) paid tithes in type, because Abraham faithfully contributed to Melchizedek. Therefore, the Melchizedek priesthood obviously antedated the Levitical, and, since the destruction of the Jerusalem Temple, has once again been reinstated.

We must remember that in the Old Testament Yahweh assigned the tithes to Levi. The writer of Hebrews is showing that this Levitical law has actually been set aside so that the responsibility will revert to the more original system. Since Melchizedek and Abraham pre-existed Levi, the Melchizedek priesthood is historically the original mediating ministry. When Abraham paid his tithes to Melchizedek, the patriarchs

Isaac, Jacob, and Levi were still unborn. Consequently, Abraham, in type representing the entire faithful True Worshipers of the Hebrew Israelite tribe, was paying tithes for his descendents also. ***Therefore, paying tithes to the Melchizedek priesthood certainly antedates the tithes given to the Levitical priesthood, and makes it a perpetual requirement.***

It is most important that we understand this significant truth. Since Almighty Yahweh owns this earth and all that is on it, He has requested to receive a rental, or tax, from those who use it. He Himself has the right to designate where, when, and to whom that tax, or rental, should be paid. In the book of Genesis, Abraham paid his tithe to Melchizedek. Later, under the polity of Israel, it was paid to the Levites who performed the duties of the priesthood for Almighty Yahweh under the animal sacrifice system. Yahweh directed this change in Numbers 18. The priests and Levites performed the physical labor related to the ceremonies of the Tabernacle and Temple worship. More importantly, they taught the Israelite people the laws and commandments in regard to the way of Almighty Yahweh and His Covenant.

### ***Priests’ Duty Primarily Teaching***

Let us see this concept clearly explained. ***“And he [Azariah, the son of Oded] went out to meet Asa, and said to him, Hear me, Asa, and all Judah and Benjamin: Yahweh is with you, while you are with him; and if you seek him, he will be found of you; but if you forsake him, he will forsake you. Now for a long season Israel***

*was without the true Elohim, and without a teaching priest, and without law; but when in their distress they turned to Yahweh, the Elohim of Israel, and sought him, he was found by them.”* (2 Chronicles 15:2-4).

The primary duty of the priesthood was always to teach Israel the way of Yahweh. This is further explained in Deuteronomy 33:10. *“They shall teach Jacob your ordinances, and Israel your law: they shall put incense before you, and whole burnt-offering on your altar.”*

Levi was granted the right to accept Yahweh’s tithes, as long as the nation of Israel remained obedient to Him. However, Almighty Yahweh changed the priesthood back to the original form in the time of Yahshua the Messiah. This is first prophesied in the book of Malachi.

*“And now, O you priests, this commandment is for you. If you will not hear, and if you will not lay it to heart, to give glory unto my name, says Yahweh of hosts, then will I send the curse upon you, and I will curse your blessings; yes, I have cursed them already, because you do not lay it to heart. Behold, I will rebuke your seed, and will spread dung upon your faces, even the dung of your feasts; and you shall be taken away with it. And you shall know that I have sent this commandment unto you, that my covenant may be with Levi, says Yahweh of hosts. My covenant was with him of life and peace; and I gave them to him that he might fear; and he feared me, and stood in awe of my name. The law of truth was in his mouth, and unrighteousness was not found in his lips: he walked with me*

*in peace and uprightness, and turned many away from iniquity. For the priest’s lips should keep knowledge, and they should seek the law at his mouth; for he is the messenger of Yahweh of hosts. But you have turned aside out of the way; you have caused many to stumble in the law; you have corrupted the covenant of Levi, says Yahweh of hosts. Therefore have I ALSO MADE YOU CONTEMPTIBLE AND BASE BEFORE ALL THE PEOPLE, according as you have not kept my ways, but have had respect of persons in the law.”* (Malachi 2:1-9).

Yahweh had made a Covenant with Levi, promising that if they would remain faithful they would receive His blessings. They did not remain faithful, but they violated the terms of the Covenant with Yahweh. Therefore, Yahweh says that He would make them contemptible and BASE before the people. The word **base** in Hebrew, #8217 in **Strong’s Exhaustive Concordance of the Bible**, is *shaphal* which means *to humiliate* or *make low*. This he did by setting aside the Levitical priesthood which was primarily ceremonial, and exalting the Melchizedek priesthood of Yahshua the Messiah, and His Body today—Assemblies of Yahweh—which is primarily a spiritual, teaching obligation.

### **Tithing— A Law of Yahweh**

We must remember that 1 John 3:4 defines sin to mean the transgression of, or breaking, the Law of Yahweh.

TITHING IS DEFINITELY ONE OF YAHWEH’S COMMANDMENTS. Once we come to this understanding, there should be no more resistance. *“And all*

*the tithe of the land whether of the seed of the land, or of the fruit of the tree, is Yahweh’s: it is holy to Yahweh. And if a man will redeem any of his tithe, he shall add to it the fifth part of it. And all the tithe of the herd or the flock whatever passes under the rod, the tenth shall be holy to Yahweh. He shall not search whether it is good or bad, neither shall he change it: and that for which it is changed shall be holy; it shall not be redeemed.”* (Leviticus 27:30-33).

You can plainly note that Almighty Yahweh has commanded that the first 10 percent of everything by which we are increased must be returned to Him. He reserves for Himself the first tenth of all the increase of the farm, orchard, and herd. *Increase* means *yield*. If we carry one bushel of seed into the field and it yields 20 bushels, the tithe is two bushels—not 1.9 bushels. The entire harvest was tithed.

**We have no right to use any of the tithe for ourselves.** Yahweh has reserved it for Himself. Therefore, if we use any of Yahweh’s tithe on ourselves, we are breaking His commandments. **WE ARE IN VIOLATION OF HIS LAWS.** In plain terms—we become sinners if we touch any of Yahweh’s possessions. Because we are then stealing from Yahweh, we would be classified as thieves. Achan did that and was destroyed for his sin. Turn to Yahshua (Joshua) chapter 7 and read the account of such a sin and its punishment.

**Too many people take the commandment of tithing entirely too lightly.** Obeying the Law of tithing, in itself, brings blessings. The income from the tithe must be accumulated in His storehouse and must be directed

toward glorifying the Name, the authority, the position, and the person of Almighty Yahweh, who is our Father in heaven. He is the Creator. We are His creation. He is our Master. He desires that all of the world should be taught His ways, and to be informed about His Kingdom government and salvation. Therefore, the tithes must be applied by the Melchizedek priesthood to preach the evangel (good news of salvation) and to fulfill the Great Commission.

When the nation of Israel came into existence, Almighty Yahweh designated the Levites to receive the tithes, because they were given no inheritance among the tribes. You will recall the sequence of events in Numbers 16, the chapter which relates the account of the Korah rebellion. Then, in chapter 17, Almighty Yahweh declared that He would plainly demonstrate to the Israelite assembly who were to be His designated chosen representatives. It turned out that Yahweh designated the tribe of Levi when the rod of Aaron sprouted leaves, buds, flowers, and almonds (the early fruit). Such a sign could not be controverted, or misunderstood.

Then in Numbers 18:21-24, we find that Yahweh assigned all of the tithes in Israel to the Levites and priests. ***“And to the children of Levi, behold, I have given all the tithe in Israel for an inheritance, in return for their service which they serve, even the service of the tent of meeting. And henceforth the children of Israel shall not come near the tent of meeting, lest they bear sin, and die. But the Levites shall do the service of the tent***

***of meeting, and they shall bear their iniquity: it shall be a statute forever throughout your generations; and among the children of Israel they shall have no inheritance. For the tithe of the children of Israel which they offer as a heave-offering to Yahweh, I have given to the Levites for an inheritance: therefore I have said to them, Among the children of Israel they shall have no inheritance.”***

The Levites were given no separate territorial inheritance among the rest of the tribes. They had only a meager amount of personal property. Their every effort was directed toward service to Almighty Yahweh and teaching Israel the ways of the Most High. They represented Yahweh before the people. Yahweh gave the Levites houses in certain villages and towns. They were given suburbs around those villages for their livestock. They maintained some draft animals for transportation over the roads and to help cultivate their garden plots. Undoubtedly, the Levites had a few cattle and sheep for their personal use. First and foremost,

however, their obligation was to be responsible Obadiah—faithful servants of the Most High Yahweh. They were required to spend a large amount of time serving at Yahweh’s Tabernacle and later, also, in the Temple. They served as the guards, because the headquarters of the worship of Yahweh comprised a storehouse very rich in gold, silver, and precious stones. The priests and Levites labored in the heavy work of sacrificing. They transported the Tabernacle from place to place, and they taught the people the way of righteousness, serving also in the Israelite government as the judges.

Have you ever considered that even the Levites were required to tithe? Although they received wages for performing the ministry of Yahweh, nevertheless, Almighty Yahweh directed them to pay their tithes to Aaron, the high priest, ten percent of what they earned.

Today we have a great High Priest, Melchizedek—Yahshua. All of Yahweh’s ministers tithe to Him, even though they do Yahweh’s Work, just as do all of the members of the Assemblies of Yahweh and people of good will. From the wages the elders receive for doing Yahweh’s Work, they return a tithe to the Assemblies of Yahweh.

### ***Melchizedek—Yahshua Receives All Tithes Today***

Occasionally we hear how the ministers of nominal Christianity take great sums of the money contributed to the religious organization. The author has seen financial statements released by various religious denominations, showing that as much as 50 per-

cent, or more, of the contributions go to the pastor.

In the Assemblies of Yahweh, a different system is followed.

All of the tithes and contributions of the members of the Assemblies of Yahweh and people of good will who support this ministry are deposited in a bank account **bearing the Name of Yahweh**. The directing elder of the organization serves as the steward over the tithes and offerings. From these tithes and offerings, the various expenses of this dynamic expanding ministry are paid. This includes wages paid to those who labor in the Work and in doctrine. The laborer is worthy of his livelihood. Yahshua said that in Matthew 10:10.

But rest assured that each one of the ordained elders of the Assemblies of Yahweh, as well as all those who labor in the various facets of the ministry at Headquarters, does something additional to help to supply his own personal needs. Assemblies of Yahweh pays only a living wage, according to the needs of those who are employed by the organization. This comprises only a modest sum.

The elders of Assemblies of Yahweh all have their gardens, or agricultural plots, where they try to grow as much of their personal sustenance as they possibly can. We feel this is **only too little effort** that we can **contribute to the GREATEST organization on the face of this earth**, so that it may move forward even more rapidly with each successive year. Each one of us wishes that there were even more we could do!

### ***Yahshua Commanded Tithing***

IT IS A SIN NOT TO TITHE.

If you do not tithe, you are violating Yahweh's Laws. Yahshua the Messiah noted that where a man's treasure is, there his heart will be also. If you have a sincere, heartfelt interest in serving Almighty Yahweh, you will place your treasure at His command. Yahshua said, ***“Woe to you, scribes and Pharisees, hypocrites! For you tithe mint and anise and cummin, and have left undone the weightier matters of the law, justice, and mercy, and faith: but these you ought to have done, and not to have left the other undone.”*** (Matthew 23:23).

Now, let us also note similar instructions in Luke 11:42. **YAHSHUA HIMSELF COMMANDED THAT WE SHOULD TITHE**. He quite plainly expressed that His people will be a giving people. They will have love in their hearts for Almighty Yahweh and for their fellow men; therefore, they will tithe. As previously pointed out, the tithes are directed toward glorifying Almighty Yahweh and our Savior and Redeemer, Yahshua the Messiah, so that all people on this earth will have the opportunity to hear of the Name of our Creator and His Son. All must learn how very important is the Name of Yahweh. The Name of Yahweh means *to exist, or live forever*. Additionally, the Name of the Messiah is the only Name under heaven given among men whereby we must be saved (Acts 4:12). Consequently, just as in ancient Israel, the modern-day Melchizedek priesthood proclaims the new Covenant and teaches the people of this world who sincerely desire to know the way of righteousness, through His own Body of True Worshipers fulfilling the Great Commission. The financial expenses of

fulfilling the Great Commission are supplied by the tithes freely given by those who are faithful to Almighty Yahweh and His Messiah, Yahshua.

Yahshua the Messiah commanded: ***“Give, and it shall be given to you; good measure, pressed down, shaken together, running over, shall they give into your bosom. For with what measure you measure it shall be measured to you again.”*** (Luke 6:38).

***“And now I commend you to Yahweh, and the word of his grace, which is able to build up, and give you the inheritance among all them that are sanctified. I coveted no man's silver, or gold, or apparel. You yourselves know that these hands ministered to my necessities, and to them that were with me. In all things I gave you an example, that so laboring you ought to help the weak, and to remember the words of the Master Yahshua, that he himself said, It is more blessed to give than to receive.”*** (Acts 20:32-35).

Has not Almighty Yahweh given you abundant blessings? Look around yourself and take stock right now! Has He not supplied you abundantly with the material, temporal blessings of this creation? He has given you the best of everything to make life comfortable. Additionally, and more importantly, He has revealed His Truth to you and this is of far greater value. Should you not also contribute generously so that others may hear of the glory of Yahweh and His Messiah? **You must confront this question personally and be honest with yourself in Yahweh's sight.**

Solomon taught us in Proverbs 3:5-10 that we should

honor Yahweh FIRST. ***“Trust in Yahweh with all your heart, and lean not upon your own understanding: in all your ways acknowledge him, and he will direct your paths. Be not wise in your own eyes; fear Yahweh, and depart from evil: it will be health to your navel, and marrow to your bones. Honor Yahweh with your substance, and with the first-fruits of all your increase: so shall your barns be filled with plenty, and your vats shall overflow with new wine.”***

Does your conscience bother you as you read these scriptural passages? Or do you obey them from the heart? Assemblies of Yahweh elders do not apologize for teaching tithing! It is clearly a doctrine proven from Yahweh’s Word. We preach this doctrine strongly, and we believe that all those who desire to be faithful to the Word will voluntarily and cheerfully offer their tithes to Yahweh.

### ***Paul Taught Tithing***

Contrary to what most people think, the Apostle Paul did not teach that the Law of Yahweh was done away with, or annulled,

when the Savior died upon the tree of Calvary. As a matter of fact, HE TAUGHT EXACTLY THE OPPOSITE! See Romans 3:31 and 1 Corinthians 7:19.

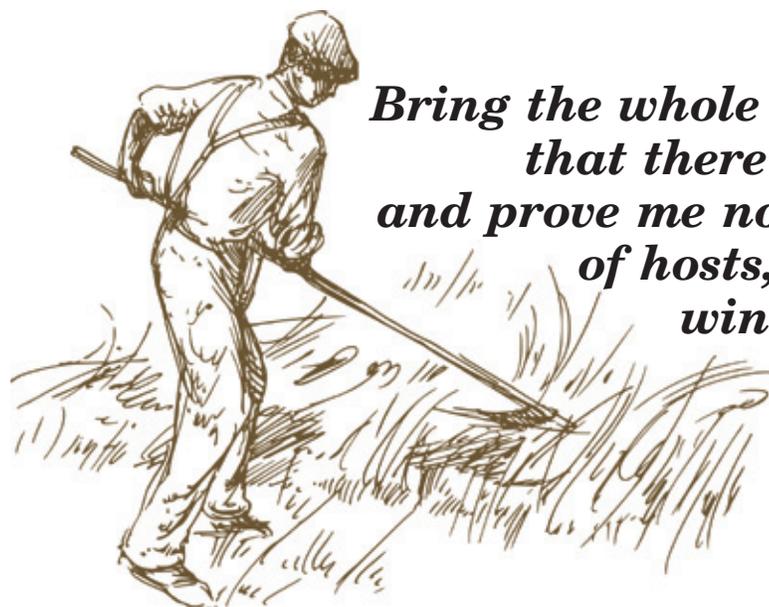

**Paul, also, strongly taught tithing.** Although he, himself, worked and labored to supply his own livelihood so that he would not be a burden to those to whom he preached. He, nevertheless, insisted that after his converts to Messianic worship had learned the Truth, they should humbly obey the Law of Yahweh.

**How would you like to make do without a paycheck for over four years?** The author of this article did that! When this ministry was begun in 1966, there was no money to pay wages. It was the sincere desire of the Meyer family that all the world should hear of the glory of Almighty Yahweh and His majestic Name and the saving Name of Yahshua the Messiah. Yahshua the Messiah had opened the door of radio and the printed page before the author, so that he could take this message to the world!

Consequently, it was the determination of the author to BEAR FRUIT FIRST, BEFORE AC-

CEPTING A WAGE FOR DOING YAHWEH’S WORK. For over four years, the author plowed back ALL OF THE INCOME THAT WAS CONTRIBUTED INTO ADVANCING THE MINISTRY. Radio time was purchased; a magazine was published. He did the Work of Yahweh in his spare time, while he held a full-time job with which to supply the needs of his family. We praise Almighty Yahweh and thank Him for the way He blessed at all times, causing His Truth to prosper, so that the Assemblies of Yahweh organization exists today and is spreading its branches to the ends of the earth.

Too frequently, people assume that preaching is merely an easy living. Actually, the author does not get paid for preaching at any time, only for the administrative work he performs for Assemblies of Yahweh. Yahweh’s Work is indeed a hard and diligent labor, but it is a LABOR OF LOVE which we cheerfully offer to Almighty Yahweh and His Messiah, Yahshua. The Apostle Paul, the author of the passage quoted below, similarly wished to contribute MORE so as not to be a BURDEN upon a **small “mustard seed-size” minis-**

***Bring the whole tithe into the store-house, that there may be food in my house, and prove me now with this, says Yahweh of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it.”***

—MALACHI 3:8-12

try. (Furthermore, no ordained elders of Assemblies of Yahweh are today paid for preaching, as a matter of fact.)

***“Do I speak these things after the manner of men? Or does not the law also say the same? For it is written in the law of Moses, You shall not muzzle the ox when he treads out the grain. It is for the oxen that Yahweh cares, Or does he say it assuredly for our sake? Yes, for our sake it was written: because he that plows ought to plow in hope, and he that threshes, to thresh in hope of partaking. If we sowed to you spiritual things, is it a great matter if we shall reap your carnal things? If others partake of this right over you, do not we yet more? Nevertheless we did not use this right; but we bear all things, that we may cause no hindrance to the good tidings of the Messiah. Do you not know that they that minister about sacred things eat of the things of the temple, and they that wait upon the altar have their portion with the altar? Even so did Yahweh ordain that they that proclaim the good tidings should live by the good tidings. But I have used none of these things: and I write not these things that it may be so done in my case; for it would be good for me rather to die, than that any man should make my glorying void.”*** (1 Corinthians 9:8-15).

Every true minister of the Most High will wish to sacrifice, not to live like a king at this time—in this worldly system. It should be our desire to teach the lost and dying people of this world about the glory of Yahweh and His way of life opened up to

us through the love expressed by Yahshua the Messiah in His atoning death.

### ***Do You Rob Yahweh?***

The subheading above might shock many of our readers. Surely, we would NEVER rob Almighty Yahweh—or would we?

Certainly, no one would think to take a gun and point it at Almighty Yahweh to rob Him. Let us recognize that sin is easier to commit than that!

Almighty Yahweh gives all of His people a certain amount of material things to supply his means of livelihood. Almighty Yahweh gives us the material possessions first. He entrusts each of us with a portion of His creation. Then He expects us to be honest. **He has inaugurated an honor system** whereby we return to Him the rent, or the tax, voluntarily, to test our faith, to test our sincerity, and to test our honesty. Are you like some of the people **who do not follow this scriptural system of integrity and honor, which will not lead to Yahweh’s blessings?**

***“Will a man rob Elohim? Yet you rob me. But you say, In what have we robbed you? In tithes and offerings. You are cursed with the curse; for you rob me, even this whole nation. Bring the whole tithe into the store-house, that there may be food in my house, and prove me now with this, says Yahweh of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast its fruit before the time in the field,***

***says Yahweh of hosts. And all nations shall call you happy; for you shall be a delightful land, says Yahweh of hosts.”*** (Malachi 3:8-12).

When you obey Almighty Yahweh, He will bless you. If you disobey Him, He will curse you. Yahweh Himself has promised these things.

Tithing is a commandment from Almighty Yahweh Himself. He has directed us to **bring all of the tithes into the STOREHOUSE (one single, united storehouse)**. We cannot scatter the tithes around to various groups that are not preaching the whole counsel of Yahweh. The whole counsel of Yahweh Elohim includes His Name, His Law, the forthcoming judgment upon sin, and the establishment of His righteous Kingdom on this earth when Yahshua the Messiah, our King returns.

Additionally, did you notice the point Yahweh makes that **this is how you may prove His existence?** Why not begin to HAVE FAITH RIGHT NOW and PROVE YAHWEH’S LOVE FOR YOU? Obey Him and tithe!

You must make the decision regarding WHICH ORGANIZATION is preaching Yahweh’s pure Truth. Then YOU MUST SUPPORT THAT GROUP. We believe the only group on the face of this earth today that is completely fulfilling the Great Commission and keeping the scriptural commandments is Assemblies of Yahweh. This organization, although still infinitesimally small by worldly standards, nevertheless, is obeying Yahweh’s commandments and fulfilling the Great Commission by heralding the Kingdom message as far as Yahweh provides the funds.

Although the Assemblies of Yahweh is small, it is our objec-

tive to serve Almighty Yahweh by doing all that we can to spread His Truth. Have you known the full scope of this outreach ministry before? Look at the above list again. We could never accomplish

all these things without faith and dedicated sacrifice. Won’t you sacrifice with us to maintain and expand this end-time effort? Make your commitment now to contribute your tithes regularly.

Why not do as the people of Judah did in the days of Nehemiah in the return of the Diaspora from Babylon? ***“They joined to their brethren, their nobles, and entered into a curse, and***

*into an oath, to walk in Elohim's law, which was given by Moses the servant to Elohim, and to observe and do all the commandments of Yahweh our Sovereign and his ordinances and his statutes... and that we should bring the first-fruits of our dough, and our heave-offerings, and the fruit of all manner of trees, the new wine and the oil, to the priests, to the chambers of the house of our Elohim; and the tithes of our ground to the Levites; for they, the Levites take the tithes in all the cities of our tillage.”* (Nehemiah 10:29, 37).

### **Are You Robbing Yahweh—In Offerings?**

You will note again that Almighty Yahweh contends with Israel for robbing Him of offerings. In addition to the tithes, Almighty Yahweh has instructed that we should bring Him free-will offerings, so that we will demonstrate what great esteem we have in our hearts for Him. **Offerings can only be given after the tithes have been paid.** People tend sometimes to call their offerings tithes, but they frequently do not tithe in the first place!

One of the most outstanding biblical illustrations of sincere and generous offerings can be found when Israel erected the Tabernacle. *“And Moses spoke to all the congregation of the children of Israel, saying, This is the thing which Yahweh commanded, saying, Take from among you an offering to Yahweh; whoever is of a willing heart, let him bring it, Yahweh's offering: gold, and silver, and bronze....*

*“And let every wise-hearted man among you come, and make all that Yahweh has commanded....*

*“And all the congregation*

*of the children of Israel departed from the presence of Moses. And they came, every one whose heart stirred him up, and every one whom his spirit made willing, and brought Yahweh's offering, for the work of the tent of meeting, and for all the service of it, and for the holy garments. And they came, both men and women, as many as were willing-hearted, and brought brooches, and ear-rings, and signet-rings, and armlets, all jewels of gold; even every one that offered a wave offering of gold to Yahweh.... The children of Israel brought a freewill offering to Yahweh; every man and woman, whose heart made them willing to bring for all the work, which Yahweh had commanded to be made by Moses.”* (Exodus 35:4-5, 10, 20-22, 29).

*“And they spoke to Moses, saying, The people bring much more than enough for the service of the work which Yahweh commanded to make. And Moses gave commandment, and they caused it to be proclaimed throughout the camp, saying, Let neither man nor woman make any more work for the offering of the sanctuary. So the people were restrained from bringing. For the stuff they had was sufficient for all the work to make it, and too much.”* (Exodus 36:5-7).

What a joy it would be today if each person who professes faith in Yahweh, who claims to be a spiritual Israelite, would sincerely and voluntarily fulfill his obligation and faithfully bring his tithes and his offerings to Almighty Yahweh and offer them joyfully to the great Melchizedek, Yahshua the Messiah. The Assemblies of Yahweh

could quickly be built up to the point where this witness would be as effective as Yahweh wills in these last days.

Nevertheless, usually people's attitudes frequently are **selfish**. They grasp at, and greedily cling to, all of the material things Almighty Yahweh so generously gives them. They forget that their blessings come directly from the Most High. *“For she did not know that I gave her the grain, and the new wine, and the oil, and multiplied to her silver and gold, which they used for Baal [L-rd]. Therefore will I take back my grain in the time of it, and my new wine in the season of it, and will pluck away my wool and my flax which should have covered her nakedness.”* (Hosea 2:8-9). What Yahweh has said, He will certainly do! Must you also suffer when He does? One day soon this world will candidly perceive how much Yahweh has freely blessed them when He takes back all that is rightfully His.

We are almost at that point when Almighty Yahweh will take back these blessings. The Great Tribulation looms directly ahead. He has also threatened that in the last days He would withhold the rain and bring about a great drought. Let us be faithful, that Almighty Yahweh will supply all those who are obedient with sustenance during that Great Tribulation time. Just as when EliYah was given drink and fed supernaturally during the three-and-a-half years wherein Almighty Yahweh brought judgment upon wayward Israel for breaking His commandments and worshiping Baal, we today expect Yahweh's protection because we try to be faithful in all things. On which

## *Prophetically Foretelling*

*“He lies in peace, but his soul has gone to heaven. Finally he has joined his maker.”*

This message is very familiar to those who have attended Christian funerals. Most people today believe in going to heaven and are unaware of the promises given to the faithful people seeking salvation. “Only believe,” the evangelists proclaim, and, thereby, they lead many people away from true salvation. Not only must we believe, we must obey—because even the demons believe and tremble, Jacob 2:19.

Very few people understand how to recognize sin. Situation ethics rule in our society, which sets its own standards according to personal preference. Most ministers preach that, even though a person lives in gross wickedness, when he dies, his soul will arrive in heaven. Some ministers actually attempt to “preach them into heaven.”

The feast days of Yahweh, explained in Leviticus 23, give us a clear picture of the pathway to salvation. Have you thoroughly studied these feast days so that you can accurately set your goals? It is imperative at this time that you study carefully into this critical subject.

By the feast days, we can trace our journey down the narrow pathway toward eternal life. Yahweh has revealed a great deal of knowledge to us in this end time as Daniel 12:4 is fulfilled. Through the **Sacred Name Broadcast** and this monthly

magazine, you have learned the importance of the Sacred Name, obedience to the Law of Yahweh, and acceptance of the blood of the Messiah as your personal atonement for sin. Each year, as we observe the annual festivals of Yahweh, we relive this spiritual plan of salvation.

### ***The Passover Lamb***

The beginning of Yahweh's year is in the spring when all creation is renewed. First, we accept the sacrifice of the Passover Lamb—the Lamb which brings us release from the Egypt of sin. Through this blood, we find cleansing as we start to live a new life dedicated to Yahweh. The animal lamb of the Old Testament has been replaced with the Lamb of Yahweh who takes away the sin of the world. The Passover memorial demonstrates our need to accept Yahshua's cleansing blood for our salvation. The Messiah inaugurated these emblems so that, each year as we remember these steps in salvation, we begin by renewing the covenant with Yahweh through the shed blood of Yahshua the Messiah (Revelation 12:17, 14:12, 22:14).

### ***Purification— Removing Sin***

Immediately after accepting this Passover Lamb, we demonstrate our obedience to the

Heavenly Father Yahweh by removing from our lives all leaven that has accumulated in the past year. This annual special time of self-examination is crucial to rid our lives of all false doctrine that leads to sin. Israel removed the leaven (that which puffs up or corrupts) from all of their food and from their dwellings.

Today, we do the same, while, additionally, we examine our doctrines and our beliefs during the seven days of the Feast of Unleavened Bread following Passover. By examining our spiritual houses for any leaven, we draw closer to Yahweh and rededicate our lives to this close walk with Him. The final result of our journey down the narrow pathway will free us from slavery in sin and from Satan the Adversary.

### ***Approaching Yahweh***

Once our spiritual houses are cleansed, we pass through a special period of seven weeks. Then, we are symbolically begotten again with the Holy Spirit of Yahweh during the Feast of Pentecost. This day commemorates the early harvest of the first fruits. During the special day of thanksgiving in early summer, we remember those who will be in the first resurrection to make up the Body of the Messiah when He returns. These are people who are completely converted and obedient to the Law of Yahweh—controlled by the Holy Spirit. They are the early harvest of the world.

In the Old Testament, the day of Pentecost was the day when Israel ratified the Covenant with Yahweh. This Law Covenant with Israel was designed to draw them close to the Heavenly Father by a change in their character to make the Israelites like the Most High. However, they lacked the power of the Holy Spirit to achieve such a lofty goal. In the New Testament, the Holy Spirit was given to lead and guide the True Worshipers into this close personal relationship with the Most High.

### ***The Trumpet Signal***

Finally, we approach the feasts of the seventh month. The first day of the seventh month is called the Feast of Trumpets. The trumpet was used to make announcements, or to call together the congregation for battle or worship (Numbers 10:1-10). This trumpet call points plainly toward the Second Coming of our Savior. Paul describes this next great event in 1 Thessalonians 4:16, ***“For Yahshua himself shall descend from heaven, with a shout, with the voice of the archangel, and with the trumpet of Yahweh: and the dead in the Messiah shall rise first...”*** This relates to the midnight cry, *“Behold, the bridegroom cometh.”*

Just prior to the return of the Messiah, the period of judgment known as the tribulation, a time of trouble and worldwide upheaval greater than any the earth has experienced before, will sweep the earth. The Feast of Trumpets relates to that time. It signifies a division of the people—the little flock of the Assemblies of Yahweh marching toward the Kingdom of Yahweh (typified by the Feast of Tabernacles), while the great multitude marches toward the battle of Armageddon.

Following the Feast of Trum-

pets, there are 10 days during which we examine our lives and eliminate all sin that could interfere with our relationship to the Heavenly Father. A requirement of drawing close to Almighty Yahweh is that we find a covering and protection for ourselves. This protection will be absolutely necessary during the frightful tribulation that will occur. To occupy a position close to our Savior at the marriage supper of the Lamb, every person must have circumcised his heart. He must live up to his vow to Yahweh that has set in motion the terms of the Covenant.

### ***Entering the Holy of Holies—With Sins Atoned***

This aspect of our salvation—the need for a protector or a covering—is experienced during the Day of Atonement. On this solemn fast day, we remember the practice of taking two goats into the Temple and having one selected as our sacrifice, while the other was taken to the wilderness (Leviticus 16). During the time of the second Temple, the Sacred Name of our Heavenly Father—this revealed personal appellation Yahweh—was spoken 10 times on the Day of Atonement. It was considered too solemn and sacred to be uttered by the average person, but it was reserved for the most holy time of the sacred year when the high priest entered the Holy of Holies. Josephus records this in his history. The Day of Atonement stands for the marriage supper of the Lamb, when we are adopted into the family of Yahweh to bear His Name for all eternity.

### ***A Righteous Kingdom***

After the Day of Atonement is fulfilled, the Feast of Tabernacles occurs five days later. Observed on the 15th day of the seventh

month, the Feast of Tabernacles depicts the peaceful, productive life in the Kingdom of Yahweh. During the Feast of Tabernacles, all of Israel was required to join together for a week of worship and harvest thanksgiving. The crops were already gathered in, and the people brought the blessings and offerings of the harvest before the Heavenly Father.

Yahweh Himself commanded a thanksgiving day.

***“You shall keep the feast of tabernacles seven days, after you have gathered in from your threshing-floor and from your winepress: and you shall rejoice in your feast, you, and your son, and your daughter, and your manservant, and your maid-servant, and the Levite, and the sojourner, and the fatherless, and the widow, that are within your gates. Seven days shall you keep a feast to Yahweh your Elohim in the place which Yahweh shall choose; because Yahweh your Elohim will bless you in all your increase, and in all the work of your hands, and you shall be altogether joyful.”*** (Deuteronomy 16:13-15).

This is a time of great rejoicing and thanksgiving! The first thanksgiving observed in the United States was observed in the fall, beginning on October 3. This is exactly the period when the Feast of Tabernacles was to be observed. Many encyclopedias and school textbooks support this surprising fact that the Pilgrims were observing the scriptural Feast of Tabernacles rather than a secular holiday.

The observed day was moved to November as a revival of the Thanksgiving day proclaimed by General Washington. Abraham Lincoln instituted it by proclamation in 1863. As usual, America, today, follows the same error of Israel because the citizens of our

country have modified the worship of Yahweh to satisfy their own preference. This will result in judgment by Yahweh during the tribulation.

The important message of the Feast of Tabernacles makes it representative of the final rest day (the 1,000 year Millennium of Yahweh) for the earth. Each week, we labor for six days and rest on the seventh. Historically, the Apostolic fathers taught that the earth will exist for 6,000 years, but will rest for a final 1,000 years when the Kingdom of Yahweh rules. This Millennium of peace and fulfillment is forecast by the Feast of Tabernacles.

During this week, all members of the Assemblies of Yahweh come together at a central feast site for a week of worship and rejoicing. It is a great time of peace as the brethren of the Assemblies of Yahweh surround the tabernacle of Yahweh. We remove ourselves from the world. During the Feast of Tabernacles, the members actually sense and share in the supreme peace that will be known in the Kingdom.

### ***Yahweh's Purpose Fulfilled***

The earth will return to the beautiful and prolific state it was in the Garden of Eden, and the lives of men will be lengthened again to periods as long as a thousand years. During this blessed time, the Messiah Yahshua will reign as the Supreme Judge and King over all of Israel. The people will exist in peace and harmony as they till the soil and care for the earth the way it was originally intended at creation. Adam was commanded (in Genesis 1:28-31) to be caretaker over the earth. The whole world will be re-established as it was at creation with a steady, even temperature cycle, a greater filtering of radiation of the sun

## ***Yahshua the Messiah and the Apostles never celebrated Christmas, Easter, Thanksgiving, or any of the other Christian holidays. They obediently observed the feast days of Yahweh that we find listed in Leviticus 23.***

(which will immediately increase our life spans and no more pollution). The productivity of the land will once again be increased as it was in Eden.

In the prophecy of Amos, we are told that, in the future, changes on the earth will be realized. ***“Behold, the days come, says Yahweh, that the plowman shall overtake the reaper, and the treader of grapes him that sows seed; and the mountains shall drop sweet wine, and all the hills shall melt. And I will bring back the captivity of my people Israel, and they shall build the waste cities, and inhabit them; and they shall plant vineyards, and drink the wine of it; they shall also make gardens, and eat the fruit of them.”*** (Amos 9:13-14).

For the plowman to overtake the reaper means that crops will be produced year-round. Temperatures will be stable, and the crops will bring forth abundantly. Diseases and pestilences will finally be a thing of the past. We find the same prediction expressed in Revelation 22:2 and Ezekiel 47:12. The tree of life will bear fruit each month of the year. Free of the temperature fluctuations which are now the rule, the earth will again be abundantly fruitful as it was in Eden.

Imagine a life where one need not coax a crop from the soil. A heavily mechanized system will not be necessary. Modern technology could be largely abandoned, and life, again, will be enjoyable. Stable temperatures could be produced by restoring the water canopy around the globe which scientists assert existed before the time of the flood of Noah.

Yahweh has established His own holidays that we are required to observe. Yahshua the Messiah and the Apostles never celebrated Christmas, Easter, Thanksgiving, or any of the other Christian holidays. They obediently observed the feast days of Yahweh that we find

listed in Leviticus 23. You can read in John chapter 7 that the Messiah observed the Feast of Tabernacles. He is our example (1 Peter 2:21). Should we not also celebrate the same holy days that He observed?

### ***Beyond Eden***

In the latter part of John 7, Yahshua instructed us in the meaning of the Last Great Day of the feast. This eighth day (following the seven-day Feast of Tabernacles), he explained in verses 37-39. ***“Now on the last day, the great day of the feast, Yahshua stood and cried, saying, If any man thirst, let him come to me and drink. He that believes on me, as the Scripture has said, from within him shall flow rivers of living water. But this spoke he of the Spirit, which they that believed on him were to receive: for the Spirit was not yet given; because Yahshua was not yet glorified.”***

Another lesson showing us the importance of this feast is presented to us. The eighth day signifies a new beginning. This observance is known as the Last Great Day. It represents the time when all people will have access to the Holy Spirit, making them immortal. This day projects us forward to eternity and the wonders in store for the people of Yahweh.

The Bible is primarily concerned with the period of man on earth. We are told very little about the eternity depicted by the Last Great Day except that the Heavenly Father Yahweh will dwell with us as the earth becomes the place of His throne—in effect, the very capital of the universe.

An important lesson can be learned in Numbers 29, where the sincere student will note that the Feast of Tabernacles points

to a time when sin no longer controls the people. As you study this portion of Scripture (verses 12-38) notice that the sacrifice specified for the feast begins with a great number of animal sacrifices. The number of required sacrificed bullocks decreases daily until, on the eighth day, only a minimal sacrifice is made. This demonstrates that people's hearts have now been changed. They have accepted the way of Almighty Yahweh and are living in harmony with His Law.

### ***An Educational Workshop***

This present life is a time of education and training for the future Kingdom. How can we expect to know the way to live during that time if we have not already become experienced in living according to the Kingdom way of life? After a first Feast of Tabernacles, we observe in the Assemblies of Yahweh returning to the world is a shock. It is easy to forget how rotten, filthy, and profane this culture and civilization has become. After living for eight days in an atmosphere of spiritual love, unity, peace, and purity, it is a shock to return to a world with totally opposite values.

It is predicted in the Word that during the Kingdom (the Millennium) all mankind will worship Yahweh during the Feast of Tabernacles.

***“And it shall come to pass, that every one that is left of all the nations that came against Jerusalem shall go up from year to year to worship the King, Yahweh of hosts, and to keep the feast of tabernacles. And it shall be, that whoever of all the families of the earth goes not up to Jerusalem to worship the King, Yahweh of hosts, upon them there shall be no rain. And if the family of Egypt***

***goes not up, and comes not, neither shall it be upon them; there shall be the plague with which Yahweh will strike the nations that go not up to keep the feast of tabernacles. This shall be the punishment of Egypt, and the punishment of all the nations that go not up to keep the feast of tabernacles.”*** (Zechariah 14:16-19).

Have you been observing the Feast of Tabernacles? We will have to observe this appointed sacred season in the Kingdom. Tabernacles was observed in the time of the Messiah, and it is only man's misunderstanding of the Bible that has led away from this sacred observance.

One of man's integral problems is a rebellious attitude. Hosea 12:9 shows that the Messiah must eventually use force to obtain obedience from the people. ***“But I am Yahweh your Elohim from the land of Egypt; I will yet again make you to dwell in tents, as in the days of the solemn feast.”***

Psalms 2 shows that in order to rule, the Messiah must assert His authority strongly. He has been given this responsibility by Almighty Yahweh. We read in verse 9: ***“You shall break them with a rod of iron; you shall dash them in pieces like a potter's vessel.”*** Yahshua Messiah will have to assert His appointed authority to reestablish the Law of Yahweh through the use of force.

Do you want to be excluded from that magnificent Kingdom? Why not begin now to obey Yahweh as He has commanded in His Word? Learn to keep His commandments so that when the Kingdom is set up you may have a part in it! There are rich blessings awaiting you, and the increase outpouring of the Holy

# The Feasts of Yahweh

*“But the house of Israel rebelled against me in the wilderness: they walked not in my statutes, and they rejected my ordinances, which if a man keeps, he shall live in them; and my sabbaths they greatly profaned. Then I said I would pour out my wrath upon them in the wilderness, to consume them. But I worked for my name’s sake, that it should not be profaned in the sight of the nations, in whose sight I brought them out. Moreover also I swore to them in the wilderness, that I would not bring them into the land which I had given them, flowing with milk and honey, which is the glory of all lands; because they rejected my ordinances, and walked not in my statutes, and **PROFANED MY SABBATHS: for their heart went after their idols. Nevertheless my eye spared them, and I destroyed them not, neither did I make a full end of them in the wilderness.***

*“And I said to their children in the wilderness, Walk*

*not in the statutes of your fathers, neither observe their ordinances, nor defile yourselves with their idols. I am Yahweh your Elohim: walk in my statutes, and keep my ordinances, and do them; and **HALLOW MY SABBATHS; and THEY SHALL BE A SIGN BETWEEN ME AND YOU, THAT YOU MAY KNOW THAT I AM YAHWEH YOUR ELOHIM.** But the children rebelled against me; they walked not in my statutes, neither kept my ordinances to do them, which if a man does, he shall live in them; they profaned my sabbaths. Then I said I would pour out my wrath upon them, to accomplish my anger against them in the wilderness.” (Ezekiel 20:13-21).*

In this study, we shall consider the commanded **holy days** as set forth in the Sacred Scriptures by Yahweh. In studying the Laws, statutes, and judgments in the Word of Yahweh that are binding today, we cannot go very deeply into Bible study before encountering a series of commandments

which Almighty Yahweh declares in His Word that His people shall obey. While there are certain groups in Christianity who teach obedience to Almighty Yahweh and keep holy His weekly seventh-day Sabbath, conversely, they will inform you that, since the Messiah died on the tree of Calvary, there is no longer any obligation to observe the annual Sabbaths—the feast days of Leviticus 23.

In the Hebrew text, the term used to designate these holy days is *mo’ed* (**Strong’s Exhaustive Concordance of the Bible**, #4150 in the Hebrew dictionary), which defined, means *prop. an appointment, i.e. a fixed time or season; spec. a festival; conventionally a year; by implication, an assembly (as convened for a definite purpose); technically the congregation; by extension, the place of meeting; also a signal (as appointed beforehand).*

Turn with me to Leviticus 23 and let us begin reading with verse 1, **“And Yahweh spoke to Moses, saying, Speak to the children of Israel, and say to them, The set feasts**

*of Yahweh, which you shall proclaim to be holy convocations, even these are MY set feasts.*" Let us carefully notice the term *set feasts* in this second verse. As previously stated, in Hebrew the word is *mo'ed*, and it should have been rendered *set times* or *appointed seasons*, as does **The Sacred Scriptures, Bethel Edition**, and several other translations.

The very next verse (verse 3) reads, *"Six days shall work be done: but on the seventh day is a sabbath of solemn rest, a holy convocation; you shall do no manner of work: it is a sabbath to Yahweh in all your dwellings."*

Here we must notice several important facts. First, **the weekly Sabbath day, the seventh day of the week heads the list of all the observances commanded for True Worshipers to keep.** The Scriptures do not indicate that these holy days are to be kept only by the Jews, or that they are days of worship for the True Believer, but the Scriptures declare that they are **YAHWEH'S** feasts. We do not have the right to teach that they have been done away with, or annulled, following the Messiah's death upon the tree. By so doing, we belittle the intelligence of the voice that spoke and declared to Moses that these were commandments He wished His people to keep **forever**. We will find this term used in a number of passages in reference to the feast days.

These annual commanded observances, along with the weekly Sabbath, are specified by Almighty Yahweh in several passages in the Bible to be a sign between Himself and His true people. Let us prove this from Exodus 31:12-17, for example.

*"And Yahweh spoke to Moses, saying, Speak also to the children of Israel, saying, You must keep my sabbaths: for it is a sign between me and you throughout your generations; that you may know that I am Yahweh, who sanctifies you. Therefore you shall keep the sabbath; for it is holy to you: every one who desecrates it shall surely be put to death; for whoever does any work in it, that soul shall be cut off from among his people. Six days shall work be done; but on the seventh day is a sabbath of solemn rest, holy to Yahweh: whoever does any work on the sabbath day, he shall surely be put to death. Therefore the children of Israel shall keep the sabbath, to observe the sabbath throughout their generations, for A PERPETUAL COVENANT. It is a sign between me and the children of Israel FOREVER: for in six days Yahweh made heaven and earth, and on the seventh day he rested, and was refreshed."*

Notice, throughout this passage Yahweh the Almighty tells His people that Sabbath-keeping constitutes a **mark** or **sign** between Himself and His people. If we desire to be true spiritual Israelites, we will humbly obey Him. Please read Romans chapter 2. By keeping His set times, we are demonstrating to the world that we belong to Him, that we are connected to Him as His people, and that we trust Him for our eternal salvation. By keeping His commanded festivals, we are declaring to the world that we believe His Word, for He is the only Being capable of creating this universe by His omnipotent power. Thereby, we connect ourselves to the only

true and living Elohim through obedience to His Laws. Please read Isaiah 56.

Yahweh declares that this sign shall be a **PERPETUAL COVENANT** between Him and His people throughout all generations. While the Laws of immediate judgment and destruction for disobedience have been annulled by the Savior's death on the tree (or torture stake), the one who rebels against Yahweh's Sabbath commandment runs the risk of being cut off with a **spiritual death** right now in this life. The Sacred Scriptures clearly inform us that Yahweh gives His spirit to those who obey Him (Acts 5:32); therefore, the antithetical idea would be that He denies His Spirit to those who disobey His Laws. Even the stranger that is within our gates is required to keep the Sabbath (Exodus 20:10).

Also, remember that we have previously learned that the weekly Sabbath and the annual "set times" **cannot be separated from each other**, so all of them must still be obeyed for this sign connecting Yahweh with His people to be in effect.

Next, let us turn to Exodus chapter 13, where we learn that the keeping of the Feast of Unleavened Bread serves as a mark of identity between Yahweh and His people. Let us read verse 9: *"And it shall be a sign to you upon your hand, and for a memorial between your eyes, that the law of Yahweh may be in your mouth: for with a strong hand has Yahweh brought you out of Egypt."*

If you will remember, Egypt, in the Scripture, symbolizes a state of sin or bondage caused by lawless living. Prove this to yourself from Hebrews 11:23-29. Keeping this feast of Yahweh

stands squarely converse to the Mark of the Beast, wherein this end-time manifestation of Satan's tyrannical world government will completely control and hold sway over multitudes of people. It will control their right to earn a living—symbolized by the mark in their hands and their very thoughts—which is shown by the mark in their foreheads where the seat of our knowledge or intellect lies (Revelation 13:16-17).

Parenthetically, let us not forget that the mark of Yahweh represents His Name. Ezekiel chapter 9 proves this conclusion in that the Hebrew term *tau* (#8420 in **Strong's Concordance**) means *a mark; by impli., a signature*. The term traces to #8427, *tawah*, a prime root; *to mark out, i.e. (prim.) scratch or (def.) imprint*. In the Hebrew language, from ancient times *tau* stood for the name, just as in English the X stands for the name of a person. Since Yahweh Elohim sets His Name upon those He marks, it means that He accepts that person to give him salvation, and He accepts that person to give him salvation and eternal life. For Yahweh to accept a human and place His mark of His Name upon Him, the individual must submit obediently to Yahweh's authority.

Conversely, Yahweh places His mark upon His people, for we trust Him as a Father to help us earn our daily bread (our livelihood), even though He requires us to take several days leave from our secular jobs at different times during the year than does the average person of the world. Yahweh places His **MARK** upon the person's seat of understanding. When we obey Him, He will grant us the Holy Spirit which makes us nonconformists in this

Babylonish world to which there is almost total conformity. The Holy Spirit will cause us to think and act like Yahweh, to instruct us so that we will understand the meaning of His commandments.

These commanded feasts, or "set times," each have a significant meaning in the plan of salvation that is laid out for the believer by the Word of Yahweh. **PASSOVER** and the **FEAST OF UNLEAVENED BREAD** symbolize to desire of the True Worshiper to pursue a higher sin-free life. As he casts the leaven out of his temporal house, he is commanded to eliminate the leaven of malice and wickedness from his human body and personal spiritual life. This will produce in the True Worshiper a character like Yahweh.

The **FEAST OF WEEKS** (Shavuoth or Pentecost) portrays the giving of the Law to Israel from Mt. Sinai, which serves as the requirement for His people to receive the Holy Spirit. It represents thanksgiving for first-fruits, the body of believers called **ASSEMBLIES OF YAHWEH** who are in the Body of Yahshua the Messiah. It symbolizes the ratification of the Covenant and how one receives the Holy Spirit of Yahweh through obedience.

The **FEAST OF TRUMPETS** serves as the announcement of a type of judgment—a great message to be proclaimed upon this earth. It is the message that now Almighty Yahweh will take an active role in the affairs of men, after the obviously passive role He has assumed for the past 6,000 years. During the time that mankind has attempted to rule over himself, he has not comprehended what great power Yahweh possesses. With the fulfillment of this feast, the people of this earth will once more experience

the awesome manifestation of His omnipotent, unlimited power.

The **DAY OF ATONEMENT** points to the blood covering that Yahweh places over all who have accepted the sacrificial blood of the Lamb, a covering that will shield Yahweh's people from eternal death. Even though His judgments will be poured out upon the heathen in the end times, the offer of grace and the forgiveness of sins is extended to all those who obey His Law. The Day of Atonement represents the restoration of close communion between Yahweh and mankind, which can be symbolized by the marriage supper of the Lamb.

The **FEAST OF TABERNACLES** (or Succoth) depicts a time just over the horizon from our world today when universal, joyful living will envelop this earth. Yahweh's True Worshipers take up a temporary residence and live for eight days apart from the world, feasting on the earth's bounty, while spiritually feasting upon the Word of Almighty Yahweh. We are commanded to enjoy ourselves—to put our mundane worries behind us. For the period of eight days spanned by this feast, we are to live exactly as will the nations of the world when the righteous Kingdom of the Heavens is established on this earth. At that time, Satan—the archenemy of Yahweh—will be chained for 1,000 years, and the earth will enjoy an era of true peace and rest.

**Nowhere does the keeping of the feasts of Yahweh contradict the New Testament message**, but, rather, the New Testament strongly upholds the keeping of these commanded observances. The book of Acts contains frequent references to the keeping of the various feasts of Yahweh, along with such other

references as found in 1 Corinthians 5:7-8 and John 7.

But let us carefully consider a warning appearing in Hebrews 10:23-25: ***“Let us hold fast the confession of our hope that it waver not; for he is faithful that promised: and let us consider one another to provoke to love and good works; not forsaking the assembling of ourselves together, as the custom of some is, but exhorting one another; and so much the more, as you see the day drawing near.”***

Notice that the writer of Hebrews points out that we shall encourage each other to love and good works. We shall love Yahweh and keep His commandments. We shall assemble ourselves with brethren of like-precious Faith and urge them to attend all of the commanded assembly convocations. The only commanded assemblies in the Bible are those commanded in Leviticus 23—the weekly Sabbath and the annual “set times.” Do you assemble with the brethren of the Assemblies of Yahweh at these times? Is it your intention to obey Yahweh and keep His commandments? **Attendance at Yahweh’s feasts is not optional!** He has com-

manded it! Furthermore, you cannot properly keep Yahweh’s holy days at home, since they are convocations (sacred assemblies of believers to worship Yahweh).

Whose mark will you accept upon your hand and forehead—the mark of Yahweh, or the mark of the government of worldly men? We have arrived at a crucial stage in world history, when obedience to Yahweh’s Laws will mean salvation for all eternity. By obeying Yahweh’s Laws, the people of Yahweh know that He is very much alive and will soon bring righteous judgment upon the world, because He watches over them and blesses them. We have a sign between Him and us, because, by our obedience to the commandment to keep His Sabbaths, we recognize His existence and authority. ***“And without faith it is impossible to be well-pleasing; for he that comes to Yahweh must believe that he is, and that he is a rewarder of them that seek after him.”*** (Hebrews 11:6). We know we can trust Him, because He exists and He will keep His Word.

Why not join with the people of Yahweh, as we strive to enter in at the narrow gate and to walk the narrow pathway that will

lead to life eternal? Yahshua still stands at the door and knocks! Will you answer Him today?

From personal observation it appears as though many people today are on “dead center.” They are apathetic and indifferent (spiritually speaking), although they have proven the veracity of the Assemblies of Yahweh message. How about you? Do you have a zeal for the True Worship of Almighty Yahweh, or is your attitude toward religion one of Laodicean lukewarmness? Why not stir up your zeal and fervor? Begin to live according to the Word of Yahweh!

The prophet Zechariah tells us that the Feast of Tabernacles will be observed all over the world by all peoples during the millennium in the Kingdom of Yahweh which is now drawing closer all the time. ***“And it shall come to pass, that EVERY ONE THAT IS LEFT OF ALL THE NATIONS that came against Jerusalem shall go up from year to year to worship the King, Yahweh of hosts, and to KEEP THE FEAST OF TABERNACLES.”*** (Zechariah 14:16).

You also can receive blessings for observing this feast right now, by simply obeying Yahweh’s commandment concerning it. If the Feast of Tabernacles will be kept in the millennium, should it not be kept in this age of man so you can learn how to keep it? If you are going to be accepted into the millennial Kingdom of Yahweh, you must learn the Kingdom way of life **NOW!** Disobedience to the commandment to keep the Feast of Tabernacles will produce the punishment of an unproductive life in the future. Why wait until Yahweh forces you to keep it under penalty of death? Voluntarily obey so that you may receive His blessings. <sup>SNB</sup>

## RADIO MESSAGE

by Elder Jacob O. Meyer

# Protection in Keeping the Feasts

In these last days, Satan has been mounting a determined effort to overthrow the faith of the True Worshipers. We are only now in the initial stages of this concerted attack. The predictions of our Savior, Yahshua the Messiah, concerning the events leading up to His Second Coming, comprise quite ominous predictions, and Satan will try his best to overthrow the faith of the elect.

In Matthew 24:9-13, we find one of these predictions. ***“Then shall they deliver you up to tribulation, and shall kill you: and you shall be hated of all the nations for my name’s sake. And then shall many stumble, and shall deliver up one another, and shall hate one another. And many false prophets shall arise, and shall lead many astray. And because lawlessness shall be multiplied, the love of the many shall grow cold. But he***

***that endures to the end, the same shall be saved.”***

To approach the study of this dynamic passage properly, it is imperative that we first understand the prophecy of Yahshua indicating the occurrence of universal acts of iniquity, or lawlessness. If the people living in the last days would be Law-abiding, they would never persecute those who believe the scriptural message—those who use the Savior’s True Name.

The Law of Yahweh legislates specific principles that regulate the various facets of our lives. The True Worshipers obey this scriptural Law in all of its spiritual application. It seems improbable, therefore, that the True Worshipers will be persecuted by those very people who insist that they are preaching from the Bible; nevertheless, trends of recent years certainly give indications that such a deplorable situation will occur.

False prophets (who will undoubtedly use the Bible) will arise in these last days and, through their erroneous teachings and predictions, the love of many for each other and for the inspired Scriptures will grow cold. Zeal for the Bible will diminish. It will require a great deal of perseverance, determination, and endurance for the True Worshiper to continue on to the end of man’s age and find salvation. These false prophets will show great signs and wonders. If you, as an individual, are seeking signs and wonders today, you could be looking in the wrong direction. It is an absolute certainty that when the True Worshipers do great miracles, they will not have to praise themselves on radio or television for their accomplishments (as I have heard radio ministers do in the past). Please notice Proverbs 27:2. ***“Let another man praise you, and not your own mouth;***

***A stranger, and not your own lips.”***

These pseudo (false) signs and wonders will be so convincing, however, that, if it were possible, even the very elect would be deceived, but it is not possible that this should happen, since they are kept by the mighty power of the Holy Spirit of Yahweh. Turn to Matthew 24:24 where we find these words of caution from Yahshua the Messiah: ***“For there shall arise false Messiahs, and false prophets, and shall show great signs and wonders; so as to lead astray, if possible, even the elect.”***

### ***Worldly Religions Lead Many Astray***

As we look around ourselves in those modern times, we can perceive that religion is being discredited on every hand. This world has never before seen such discouraging scandals on the horizons of the religious spectrum as have been reported in the news media recently. When ministers are found guilty of molesting children, the depths of depravity have been reached. Ministers insist that they are preaching the Bible, but their messages are certainly diametrically opposite to what is taught in plain language directly from the pages of the inspired Scriptures. Most preachers declare that they are teaching the biblical message, but they never seem to preach from the Bible! Scriptural texts are ignored in favor of philosophical subject and the social gospel.

It is candidly obvious that man-made theology is ruling the doctrines governing the various Christian churches today. In the Old Testament when such a deplorable situation appeared, the prophets of Yahweh sternly called the people to repentance. They predicted severe judgment to fall upon their sinful hearers from a Heavenly Father who is zealous for His Laws, unless their hearers would make profound changes.

Beloved readers, the Almighty has not changed over the past 6000 years, even though you may have come to such an erroneous conclusion. Malachi 3:6 says, ***“For I, Yahweh, change not; therefore you, O sons of Jacob, are not consumed.”*** Yahshua the Messiah never changes, as we read in Hebrews 13:8. ***“Yahshua the Messiah the same yesterday and today, and forever.”***

If we come to understand that our Heavenly Father is angry at the sins being practiced in the world today and that He will soon begin to punish this modern, errant society, then we must find it imperative to seek an avenue of assured protection beforehand.

The first place to look for this protection is in the Sacred Name of our Heavenly Father and in the Name of our Savior, Yahshua the Messiah. When you come to understand the intrinsic saving potential of the Sacred Name, your faith in the Heavenly Father will be built up immeasurably. To

know that you are a worshiper of the Mighty One who created the heavens and the earth will give you complete confidence in His ability to protect you during times of crisis. He has promised to exempt His people from judgment if only they would obey His Law, just as He passed over Israel at their Exodus from Egypt when Egypt was devastated.

### ***Yahweh’s Holy Days Preview the Kingdom***

Exercising a knowing faith in Yahweh our Father in heaven and His ability to protect His obedient child, should point you toward another vital truth. This is the keeping of the holy days which are legislated by the Almighty in Leviticus 23. These holy days are so vital and important that they must not be overlooked as an integral factor in the plan of salvation. You may never have understood them previously, so why not sit down right now and read over them.

The entire plan of salvation is encompassed in the observance of these holy days. When you begin to read Leviticus chapter 23, you will observe how the legislation of the holy days, which we are to observe, begins with the commandment to KEEP THE SCRIPTURAL SEVENTH-DAY SABBATH. Observance of the weekly scriptural Sabbath identifies us with the Creator and Sustainer of the universe. We are calling your attention right now to the fact that when we worship on the seventh

day—which is called Yahweh’s Sabbath day—we **profess our belief in creation**, rather than the currently popular theory of evolution. We are informing the world that we believe in a Mighty Creator Being who is powerful enough to enforce His Will in our lives, since He is the Creator of all things.

It is certainly strange and puzzling to note how nominal Christian churches teach that the day of worship has been transferred to the first day of the week. **No Scripture can be found that teaches such a doctrine anywhere in the entire Bible!** Usually, the reason given is that the Savior rose from the grave on the first day of the week, when, in fact, He could not have been resurrected on the morning of the first day of the week and still have been our Messiah. How can you arrive at three days and three nights from a Friday impalement to a Sunday morning resurrection? It just can’t be done! Yet, our Savior declared that this three days and three nights rest in the tomb would be **the only sign He would give of His Messiahship** (Matthew 12:40).

What protection can be found in observing the scriptural Sabbath? If you have never read Psalm 92, turn to this passage right now and read this inspiring instruction. This Psalm is designated to be read on the Sabbath day. In type, this Psalm is prophecy and refers to the reign of the Messiah on this earth during the Millennium, as does Psalm 72.

The holy days described in Leviticus 23 have a special connotation. They provide a continuous overall plan of how the True Worshiper may find everlasting salvation. Follow me closely as we briefly scrutinize this chapter,

and notice how the observance of Yahweh’s holy days marks our journey toward our eternal salvation.

The first observance is Passover, which is not a holy day. It is the remembrance of the sacrifice of Yahshua, the Passover lamb of Yahweh, who is our Messiah, sacrificed for us. This day is the preparation for the Feast of Unleavened Bread. After we have accepted the Passover sacrifice, it is imperative that we learn Yahweh’s righteousness. This is the significance of the Days of Unleavened Bread, as we eliminate all the leaven from our lives so that we can faithfully obey our Heavenly Father just as He wishes. Leaven is a type of sin which is induced through the false doctrines of popular religion (Matthew 16:12). In the days of Yahshua the Messiah, certain elements of false doctrine were taught by the Pharisees and Sadducees. Today, worldly christianity professes many false doctrines. Both of these great religions (Christianity and Judaism) spurn the Sacred Name doctrine, among other sound teachings. When we eliminate the contamination of false doctrine which leads to disobedience to the Heavenly Father, we have thrown out the leaven, or corruption, from our lives. Man (not merely the Jew) must live by every Word that has been spoken by Yahweh.

After having cleansed our lives and accepted the blood of the Messiah, we agree to enter into a Covenant relationship with the Almighty. This Covenant relationship means that we agree to keep His commandments, statutes, and judgments, thereby attaining a close personal relationship with Him. He has promised to give us His Holy Spirit so that we can keep His

Laws more perfectly.

Pentecostal-type organizations frequently seem to forget that, when the Holy Spirit fell, the Apostolic Assembly was in **ONE ACCORD, IN ONE PLACE TO KEEP THE SCRIPTURAL FEAST OF WEEKS, OR PENTECOST DAY**. They were all in one accord in Jerusalem, just as the Law of Yahweh commands. The members of the Apostolic Assembly were in one accord, in obedience to His Word. They were all gathered to observe Yahweh’s second great pilgrim feast. When the power of Yahweh fell upon them, they began to teach the multitude of assembled Israelites in their own languages. If you have not yet carefully scrutinized the popular doctrine of modern Pentecostalism, why not do so at once by writing to us immediately for our free article on this subject.

After we have entered into a close personal relationship with our Father in heaven, we can look forward to the holy days of the seventh month. These four holy days begin with the Feast of Trumpets. This holy day symbolizes a call to assemble the people of Yahweh, while simultaneously it represents a call of alarm to those who have not accepted the plan of salvation. The Feast of Trumpets signifies the Second Coming of our Savior, while the Day of Atonement typifies the marriage supper of the Lamb, a day when we become fully joined with Him. It is a day when we shall finally, as True Worshipers, become one with the Heavenly Father and receive the adoption into the family whose Name is Yahweh. He will have forgiven our sins and accepted us as His children into the Elohim family whose name means **eternal life**. Our conversion process from a sinner to a saint will then be complete!

Following the marriage supper of the lamb and being accepted as the children of the Most High, we enter the millennial reign of our Savior, Yahshua the Messiah, on this earth. The righteous King, Yahshua, will rule the nations of the earth under the authority of the Law of Yahweh. If you don't believe that we will be observing the Feast of Tabernacles during the Millennium, turn immediately to Zechariah chapter 14 and read verses 16-21, which describe what will occur after the Messiah returns. During the thousand-year reign of the Messiah, this earth will finally realize the potential for which it was created.

Finally, the Last Great Day of the Feast is especially significant, because, as a great Sabbath of rest, it points forward into the great beyond, eternity, taking us forward to the age when all people on this earth will have received a spiritual body and new endeavors will begin under the Almighty Heavenly Father.

We must never forsake the assembling of ourselves together (Hebrews 10:25), because when we gather to worship Yahweh, we are standing in the shadow of protection offered by the holy days. Do you observe them? If not, you should consider them carefully and learn their importance from the Word of Yahweh.

Spirit, as rewards for obedience. Why not learn Yahweh's way of humility and obedience today, because you may not have the opportunity later? Time is growing short.

### **Follow Yahweh's Pathway**

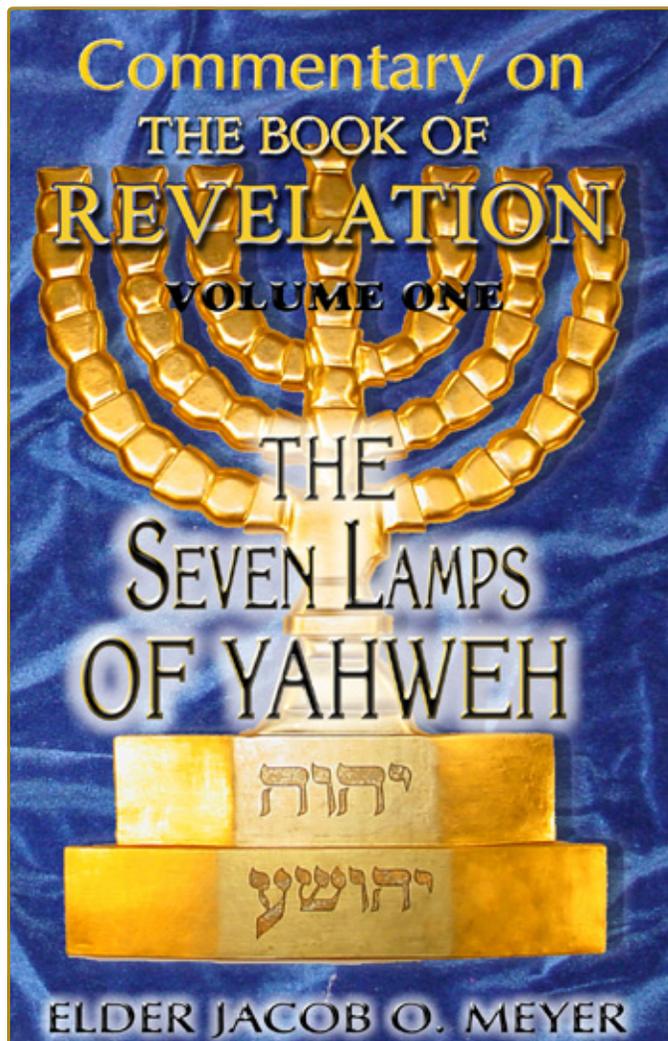

How would you like to live in a world free from sin? Satan will be bound and held captive in the bottomless pit for 1,000 years. This is described in Revelation 20:1-3. During the Kingdom, we will not be limited to the short 70 years allotted to us in this era. We can now enjoy this glimpse of the good life in the Kingdom during the Feast of Tabernacles. Isaiah the Prophet presented this beautiful picture of the Kingdom. ***“For, behold, I create new heavens and a new earth;***

***and the former things shall not be remembered, nor come into mind. But be glad and rejoice forever in that which I create; for, behold, I create Jerusalem a rejoicing, and her people a joy. And I will rejoice in Jerusalem, and joy in my people; and there shall be heard in her no more the voice of weeping and the voice of crying.”*** (Isaiah 65:17-19).

Prepare now to live in obedience to the Law of Yahweh. Keep all of the feasts of Yahweh in honor of Him. Obey the commandment to observe the Feast of Tabernacles, and you will learn how to live in His Kingdom. By being obedient now and accepting the shed blood of the Messiah, you, too, can have a part in the era when all will be restored. There is no better way to learn the pathway to salvation than to relive it annually when you observe the feast days of Yahweh. S<sub>N</sub>B
